Short Script if Needed

"Hello. My name is _____ and I am doing a fundraiser for Pregnancy Help Center. They are in Rice Lake and help moms and families with their pregnancies and being a parent. Moms can go there to find out if they are going to have a baby or if they need things like diapers and wipes, they have those too. We love babies and want to help them save as many as they can. Thank you very much!

Come to Slice of Life on September 27th from 11:30-3pm."

When the person asks what they need to do to support PHC, explain how the calendar works and collect their money or direct them to the online donation page using their phone.
